

All Visa Applicants

!!! NOTICE!!!

The Embassy of Japan in Nepal has introduced “TOKEN SYSTEM” for all visa applicants, effective from March 24, 2015. This system requires all the visa applicants to pick up the “TOKEN” at the main gate of this Embassy before application. TOKENs will be distributed for a specific date from 8:00 to 11:00 on Tuesday to Friday.

Student visa applicants are required to come by themselves for token collection and visa application. In case applicants cannot come by themselves, someone on their behalf can come on one-to-one basis. Each Token designates a specific date of visa application when the applicant is expected to apply.

Thank you for your cooperation.
