## 2. NTV's Feature Programs on Japan

The Government of Japan invited a 3-member TV crew from Nepal Television to Japan to promote cultural ties among the two countries. During their stay in Japan the TV-crew prepared major three documentaries on Post Disaster Reconstruction, Japan-Nepal Relations and Education. Also the crew prepared several news clips and short reporting keeping in mind the places of interest in Japan for the people of Nepal. Following links are some examples of NTV-crew's work that aired recently through different channels of Nepal Television Corporation.
