

IMPORTANT NOTICE ON SUSPENSION OF VISA SERVICE

Due to the rapid increase of COVID-19 infection cases over the world, the Government of Japan added Nepal to the countries which are subject to denial of entry to Japan until further notice, on July 22, 2020. Therefore, the Embassy of Japan is unable to accept visa applications unless the Government of Japan will make an amendment for this decision. Only Diplomatic, Official and emergency applications would be considered.

Thank you for your understanding.
